

# Technical sheet

## MATExt

### Size L

#### Measurements

Height 525mm

Width 650mm

Depth 165mm

### Weight 3 kg

#### Materials

Carbon fiber structure

Antiallergic fabrics

Disinfect with Sanytol

### Specifications

**Strength.** Mechanics;

**Auxiliary force.** 5.5kg per arm;

**Noise level.** Less than 70 dBA;

**Working ambient temperature.**  
0°C – 45°C;

**Degree of protection.** Dust/Water – IP54.  
UV light – DIN 75220 standard; 1992

### Certifications

- Machinery Directive 2006/42/EC
- Standard EN ISO 13482:2014

**IDR**<sup>®</sup>  
Exoesqueletos

Manufacturer: **COMAU**
